

Work tables Contur

Contur in oak/silver.

Contur is a series of tables with the strict, linear shape. A wide program and the ability to select colours and materials on tabletops and stand will enable you to design stylish and functional workplace with personal identity.

Contur is available with electric stands (art 394/395). Observe that Reflect storages can be chosen with legs and handles with a straight design to connect with Contur.

Contur is marked with the swan.
